PRIVATE PARTIES OVERVIEW

Let us host your next private event and leave the work to us! Come join us for an unforgettable culinary experience where you'll create delicious dishes with the guidance of a private chef. All events are hands-on where guests are split into smaller groups to whip up a delicious meal from start to finish. Guests make every item on the pre-selected menu then enjoy a sit down meal in the kitchen! All you need is your appetite. If your group enjoys some friendly competition, we are happy to include a secret ingredient challenge sparking extra creativity and communication between the guests!

Getting Started!

Select a menu from our wide range of options (Pages 3 – 7) OR create a custom menu with the guidance of our event director. Once you select your menu (we work with all dietary restrictions and allergies) your work is done!

Upon arrival guests are greeted by the Chef and given aprons and recipes. We provide a cheese platter to snack on throughout the cooking process, and any non-alcoholic beverages your group would like available. All classes are BYOB, so feel free to bring in your own wine or beer to enjoy while you cook your way to a delicious dining experience, no corkage fee! For convenience, you can purchase a glass/bottle of wine or beer at The Curious Palate restaurant next door to us. You can also order ahead from services such as BevMo delivery, Postmates, or Saucy.

We are a full service cooking school. Your event costs cover the chef, assistants, kitchen rental, ingredients, stemware, and all support staff. We can accommodate up to 50 guests. Events are 3 hours long, and should you wish to have a longer event please inquire for rates.

PRIVATE PARTIES FOR KIDS

Come celebrate your child's birthday at The Gourmandise School with a hands-on cooking party! We offer a variety of fun filled party menus to choose from for kids ages 5-12. All parties are a hands-on cooking experience where our Chef instructor and support staff are dedicated to making sure your child gets to learn to make a delicious meal and enjoy it with their friends.

Parents can drop kids off and enjoy lunch across the way at The Curious Palate or shop around the mall.

Children are greeted upon arrival by our Chef and assistants and given aprons to decorate and take home. Kids are supervised through the entire party as they enjoy cooking in a commercial kitchen with their friends and family, creating delicious dishes to enjoy with everyone! If your kiddo is a fan of cooking shows such as Chopped or Master Chef Junior, we are happy to customize your event to include a "secret ingredient showdown"!

Parents are welcome to bring a birthday cake and we will slice and serve it for you. We provide all plates, utensils, cups, and drinks (punch and water) for the kids. *We have the kids covered, not the parents.* People not participating in the cooking process are generally not permitted in the kitchen area during the event. Parents are welcome to watch their kids from outside the kitchen through our glass doors, and pop in to take the occasional picture, but kids tend to get less distracted when they're the only chefs in the kitchen ;)

We can also provide Gift Bags at an additional cost to reflect the kids' culinary experience!

All kids parties are 2 ½ hours long.

Pricing: \$950 for up to 10 children, each additional child at \$75pp.

Maximum of 30 children ages 12 and under.

Over 20 children requires and additional chef for \$450.
